May 25, 2006 - WebTech Wireless Announces the Sale of 2200 Locators in Europe

London, UK - May 25, 2006 - WebTech Wireless Europe Limited, a subsidiary of WebTech Wireless Inc. (TSX-V:WEW), a leading fleet Telematics products and service provider, today announced the sale of 2,200 WT5000 Locators, shipped in April 2006 to one of its key UK OEM partners. The Locators will be deployed in the personal automotive sector through a major insurance company in Europe.

"We are beginning to see significant adoption of our Locator products into personal automotive applications" said Anwar Sukkarié, CEO of WebTech Wireless. "Insurance companies around the world are beginning to realize there are net benefits for themselves and their customers by deploying vehicle tracking and telematics solutions for usage-based insurance, increased safety & security, and stolen vehicle recovery."

Forward Looking Statements

This press release contains forward-looking statements involving risks and uncertainties pertaining to, but not limited to product plans, timing, content, and pricing of products, market and industry expectations, the wireless communications industry, the mobile fleet industry, and general economic and political conditions. Given the risks and uncertainties inherent in the markets and industries referred to in this press release, WebTech cannot guarantee that any forward looking statements will not be realized.

Trademarks are the property of their owners.
